

**time
and
space** CONDOMINIUMS

take your time.

own your space.

**the more time we spend inside,
the more we feel the need
to get out and play. from this idea,
time and space was born.**

A striking residence with interconnected networks, both in architecture, as well as in recreation. With unparalleled access to Toronto's natural beauty and lifestyle initiatives unlike any other, we've taken the time to make the most of your space. So you can live in a space that makes the most of your time.

site plan

**better space.
better time.
time to rethink
space.**

With cascading towers and an adjoining courtyard, time and space's vision for residential living is defined by seamless transition and meaningful connection. From indoor to outdoor, home to neighbourhood, and resident to resident.

neighbourhood

the space around you.

Time and space is nestled in the city's
east end, and for good reason.

Toronto's east end is where commerce, creativity, and community convene.
Home to incredible restaurants, eclectic cafés, and just steps from the city's downtown core.
Grab a coffee at Balzac's. Gather the day's ingredients at St. Lawrence Market,
and spend the night at the Distillery District, sipping on something spectacular.
With great spaces so close, there's time to do more.

The Vendor shall have the right to make reasonable changes in the opinion of the Vendor in the plans and specifications if required and to substitute other material for that provided for herein with material that is of equal or better quality than that provided for herein. The determination of whether or not a substitute material is of equal or better quality shall be made by the Vendor's architect whose determination shall be final and binding. The Purchaser acknowledges that colour, texture, appearance, grains, veining, natural variations in appearance etc. of features and finishes installed in the Unit may vary from Vendor's samples as a result of normal manufacturing and installation processes and as a result of any such finishes being of natural products and the Purchaser agrees that the Vendor is not responsible for same. The Vendor is not responsible for shade difference occurring in the manufacture of items such as, but not limited to, finishing materials or products such as carpet, tiles, bath tubs, sinks and other such products where the product manufacturer establishes the standard for such finishes. Nor shall the Vendor be responsible for shade difference in colour of components manufactured from different materials but which components are designed to be assembled into either one product or installed in conjunction with another product and in these circumstances the product as manufactured shall be accepted by the Purchaser. Purchaser acknowledges and agrees that carpeting may be seamed in certain circumstances and said seams may be visible. Purchaser acknowledges and agrees that pre-finished wood flooring (if any) may react to normal fluctuating humidity levels inducing gapping or cupping. The Purchaser acknowledges that marble (if any) is a very soft stone which will require a substantial amount of maintenance by the Purchaser and is very easily scratched and damaged. **Plan and specifications are subject to change without notice.
