THE
DYLAN
CONDOMINIUMS

Different is daring. It's the decision to stand out, to dazzle and delight. A determination to define what's cool and deliver what's unique. It's the debut of a new direction devoted to the individual, dedicated to design, and declaring to do it differently.

Living at the Dylan is different. It's uniquely intimate and unquestionably original. A lifestyle hub designed to impress and express your individuality. A destination with a bohemian spirit, and style blending industrial chic with approachable comfort. More than any label, The Dylan is mostly different in the way it fosters a close-knit tribe and urban community.

Located in the lively New West Village at Glencairn Avenue and Marlee Avenue The Dylan is perfectly positioned just a 3-minute walk from Glencairn Subway Station and a few blocks north of the Eglinton LRT. Upon arrival you're met with a dramatic melding of traditional masonry accented by bold stone elements trimmed in dark metal panels. Inside it's another world, adorned with hits of warm tones, leather accents, unique textures, and designs. Definitely distinct.
