

THINKING CONDO? THINK OUTSIDE THE BOX.

***Life is so much better at Carriage Country Club,
where a competitive monthly maintenance fee
of .80 cents per sq. ft. gets you amenities no other
condo project delivers!***

- Your fee covers the landscaping and upkeep of over 30 acres of beautifully manicured walking trails, playgrounds, recreation centres, games rooms, indoor/outdoor pools, Peloton exercise facilities and more included in competitive monthly fee
- Suites fully equipped with everything you need, from fork to fridge to furniture, meaning next to no move-in costs
- Close to restaurants and cafes, fabulous shops, ski hills, fairways, a casino, and unlimited family-friendly fun

No new subdivision, condo or resale home delivers this much value, not to mention a vibrant lifestyle in the heart of Horseshoe Valley.
