# RISE OF AN ICONIC LANDMARK

In the heart of Downtown Toronto's most exhilarating neighbourhood, an iconic residential landmark is set to define the new standard in urban luxury living. Introducing Dundas Square Gardens. Inspired by its beautiful Garden District setting, flanked by Allen Gardens to the north, Dundas Square Gardens will soar 47 storeys tall, culminating at the top in a dramatic lantern finial that will become a beacon on Toronto's glittering downtown skyline.

Dundas Square Gardens will sit atop a unique 17-storey Garden Terrace building which will anchor the tower to the street, providing an organic connection to the vibrant Dundas and Jarvis streetscape. Five cascading rooftop terrace gardens on different floors add a fascinating texture to the tower's profile. The result is a dynamic, changing facade that appears different from various vantage points as it responds to its urban context.

Coming home to Dundas Square Gardens is an experience out of the ordinary. Floating above the streetscape on the 3rd floor, the resplendent Sky Lobby captivates you with its lavish décor and contemporary ambience. Featuring clean white porcelain flooring, full height glass walls and stylish linear fireplace, the Sky Lobby and Sky Lounge is where you and your guests are received in regal style by a courteous 24-hour Concierge.

# A NEW DIMENSION IN LUXURY

More than just a welcome space, the Sky Lobby is a bright, animated, glass-encased amenity that promises to light up the entire neighbourhood. Whether you want to just relax for a moment on the plush lounge seating or update your online profile in this wi-fi enabled zone, this is where active downtown citizens like you are entirely in your element. Meet friends, catch your breath, plan an evening out on the town – all surrounded by the ultimate in urban luxury and convenience.

## WELCOME TO YOUR EXQUISITE SANCTUARY IN THE SKY

Furnished on the lines of an elegant cosmopolitan hotel, the Sky Lobby draws you in with its dramatic lighting, chic lounge-style seating and spectacular skyline views.

## LIFE ON A WHOLE NEW LEVEL

High above the city on the 18th floor, an exhilarating outdoor/indoor lifestyle unfolds. You're poolside on a beautifully landscaped rooftop terrace, toasting a special occasion with a few close friends. The glittering downtown skyline rises majestically before your eyes, rippling with myriad colours on the sublime infinity edge pool. This is party central at Dundas Square Gardens – over 8,000 square feet of celebration, embellished with stone firepit, a cascading water feature, numerous BBQ stations and a spectacular lounge sundeck with great views of the city. Just bring the bubbly.

## INSPIRE THE SENSES

The fantastic 18th floor amenities experience continues indoors with a full-function, state-of-the-art fitness centre and yoga studio. Staying healthy has never been so exciting and convenient. Trim the body and tone the muscle on a variety of the latest treadmills, ellipticals, spin machines, cardio and weight equipment. Centre your inner energy in the fresh, clean and light-filled yoga studio. Adjoining the Sky Lobby on the 3rd floor is another indoor/outdoor cultural zone, dedicated to the art of fine entertaining.

18TH FLOOR AMENITIES

Host a big social event or a small intimate gathering in the elegant Sky Lounge & Bar with dining area, pool table and air hockey. In warmer weather, your party can spill out into the adjacent terrace garden. Another great feature of this garden is the innovative dog walk – a series of winding pathways where you can walk your dog without ever leaving the building! And if you're in the mood for some quiet contemplation

or study, make your way down to the 2nd floor Library. Elegantly furnished with rich wood paneling and open concept design, the Library offers numerous study and work spaces and reading nooks, where you can have a board meeting, spend some quality time with your favourite author or challenge a friend to a game of chess.

Ultimately, the multi-faceted amenities at Dundas Square Gardens are about enriching your life in the city. It's about meeting with friends over lunch or coffee, hanging out by the poolside or enjoying a Sunday afternoon barbecue on the terrace. It's about reducing your carbon footprint by using the nearly one thousand dedicated bike lockers provided in the building. Whether indoors, outdoors or around the city, Dundas Square Gardens lets you live life to the fullest.

# THE EASTON'S GROUP

For Steve Gupta, Chairman and CEO of Easton's Group, one of the largest and most respected names in hotel development and management, and the developer of Dundas Square Gardens, it all comes down to a passion to create something totally unique. With a comprehensive portfolio spanning premium, branded and upscale hotel properties across Ontario, the Easton's Group is celebrated for its superior quality of product, meticulous attention to detail and award-winning customer service.

A self-made, serial entrepreneur, Gupta's passion for excellence, to meet and even exceed it, is a testament to his own life. In his own words, "I have the classic attributes of successful entrepreneurs: a strong work ethic, and the vision and ability to act upon opportunities and to see them through to completion. It's in my DNA." Easton's tradition of 'giving people more than they expect' is true at their earlier condominium, King Blue, and now at Dundas Square Gardens, epitomizing Steve Gupta's vision of creating some of the finest condominium developments in Toronto.

With Dundas Square Gardens, Easton's Group will be delivering a project of the highest quality, with the attention to customer care and service, and a passion to exceed, that has always been its trademark of excellence.
