EXCLUSIVE FINISHES

International leading brands bring sophisticated finishes and functional features to EXS suites, including:

LATCH

Latch is an innovative smart access system that brings seamless access to every door in a modern building. With Latch, you can open and manage doors in a condominium building—all from the security and convenience of your smartphone. A fully integrated system of both hardware and software, Latch is expanding smart access through thoughtful and intuitive designs made for modern living. In buildings utilizing the Latch system, residents can open doors with convenient and flexible credentials, and share access confidently and securely with trusted visitors when they are away, by smartphone, doorcode, or keycard.

KOHLER®

Since 1873, Kohler Co. has been improving the level of gracious living by providing exceptional products and services for customers' homes and lifestyles. Kohler believes better business and a better world go hand-in-hand. Whether through beautiful kitchen and bath products, innovative engines and generators, memorable hospitality offerings or developing clean water, sanitation, and community development solutions around the world. To put it simply, Kohler strives to enhance the quality of life for current and future generations through design, craftsmanship and innovation, and is fueled by the passion of more than 36,000 associates worldwide.

The logo for Trevisana Kitchens + Interiors features a black diamond shape to the left of the brand name. The word "trevisana" is in a lowercase, sans-serif font, and "KITCHENS + INTERIORS" is in a smaller, uppercase, sans-serif font below it.

Trevisana Kitchens & Interiors perfects the essential features that are synonymous to the superiority of Italian design and artisan manufacturing. The Trevisana story began nearly half a century ago in Italy's northern province of Treviso. Today Trevisana Kitchens & Interiors proudly bring Italian quality made cabinets into Canadian homes, maintaining their core values of unsurpassed quality Italian workmanship.

Miele

Miele has been an independent family-owned company since its establishment in 1899 and is equally committed to its owners, employees, customers, suppliers, the environment and society. The company focus is on manufacturing domestic appliances for the kitchen, the laundry room and for floor care, as well as machines for use in commercial operations and medical facilities ("Miele Professional"). The strategic vision is to be the world's most trusted and desirable premium brand.

“

EXS residents will be able to select from a range of luxury services that one would find in a world-class 5-star hotel. We've partnered with luxury services provider Forest Hill for an exceptional level of resident property management and services. Everything from room service to suite cleaning, turn down services to restaurant reservations can be arranged with ease. It's a unique offering and certainly a level above anything you'll find in Mississauga today.

IN COLLABORATION WITH ...

IBI Architects – *Architecture*

IBI Group is a proud leader in the emerging application of technology in the design and planning of smart cities. Formerly known as Page + Steele Architects, IBI Group is renowned for its extensive residential expertise, and has shaped the Toronto skyline with many of the City’s most exclusive, high-end developments, including The Ritz Carlton Hotel and Residences, The Avenue, The Delta Hotel, The Four Seasons Hotel and Residences, Upper East Village, and more. With projects that span Canada, the United States, the United Kingdom, the Middle East, and India, IBI’s multidisciplinary approach – from the creation of connected schools and hospitals, to the use of social media and smart devices to improve urban mobility – has defined the cities of tomorrow.

BDP Architects –*Retail Architects*

BDP is different. The group’s unique position as a collective with experts spanning the spectrum of the built environment gives them a special status and capability in the design world. They are place-makers who work at every scale. Passionate about the role of design to improve everyday life, BDP has employed design practices that focus on place-making and user centred design. With offices that span the globe, including the United Kingdom, Ireland, China, India, Abu Dhabi, the Netherlands, Japan, Singapore, and Canada. BDP looks to introduce a global influence on every project they touch.

MAED Collective – *Interior Designer*

Since its inception in the Fall of 2017, MAED. Collective has grown into an all-female design firm, continuing its legacy as the “Next-Gen” design collective built on reputation and loyal client base. Corinne Huard and the powerhouse team of multi-disciplinary designers and artisans with decades of practical training and mentorship at leading international design studios. The collective has developed a reputation for sustainable and engaging spaces, working with prominent global innovators and leaders in hospitality. Every environment is meticulously curated to respect and highlight its unique identity with the goal of exceeding client and end user aspirations. The team’s collaborative nature has been the driving force in the successful execution of all projects and building client relationships.

IBI Landscape – *Landscape Architecture*

With a portfolio of internationally recognized projects, IBI Group’s unique approach to placemaking has helped us shape inspiring places and spaces. Our projects focus on people and the environment, both natural and manmade, and the connections between them. We combine elegance, simplicity, ecology, art, and sciences to make meaningful and uplifting places for people to live, work and play. Our designs strive to enrich the user experience. We explore amenities and design language that contributes to a distinct sense of place, personal comfort, and landscape beauty.

Camcorp Construction – *Construction*

Built on experience. A member of the Camrost Group of Companies, Camcorp Construction offers a full complement of services in all aspects of the construction process, execution and delivery. Known for a hands-on approach amongst the trades, and for a meticulous attention to detail, Camcorp Construction has enabled Camrost Felcorp to be directly involved in all stages of the development process.
