THE HEART OF *West* Chestermere

Discover Chelsea

Chelsea, just a short drive into the city, an even shorter drive to the lake and walking distance to all the amenities you need. Residents can work in the big city, play at the lake and walk to the corner store - all on the same day.

Chestermere has grown and evolved from a summer village to a full-fledged city without losing touch with its laidback, leisure-loving roots. Chelsea builds on this spirit by offering a family community with ample on-site amenities, including 3 future schools, three park spaces, convenient shopping, two connected pathway networks, an Eco park and over 9 acres of park space.

Formed in 1906, Chestermere Lake is 4.8 km long and 0.8 km wide lake is well used year-round by locals and visitors alike. The lake allows motor boats, is home to the Calgary Yacht Club and has a marina with small boat rentals. You can also swim, fish and – in the winter – snowmobile or ice skate on the lake. Authentic lake experiences are simply not available at any of Calgary's suburban lake communities.

Go your own way.

Thriving Connectivity

Isn't it nice when everything's just around the corner? With a thoughtfully planned system of paths, parks and roads, Chelsea is well connected to recreational and social activities, vast open spaces, Chestermere Lake, parks, Lakeside Golf Club and more. Enjoy instant access to major thoroughfares of 17th Avenue and Stoney Trail that make getting around the city easy.

Want to explore more of Chestermere? Bike the pathways along the outskirts of the city, bringing you to many maintained and manicured recreational parks, that provide an array of amenities like picnic tables and tennis courts.
