GEMINI CONDOS

OAKVILLE: A RARE OPPORTUNITY

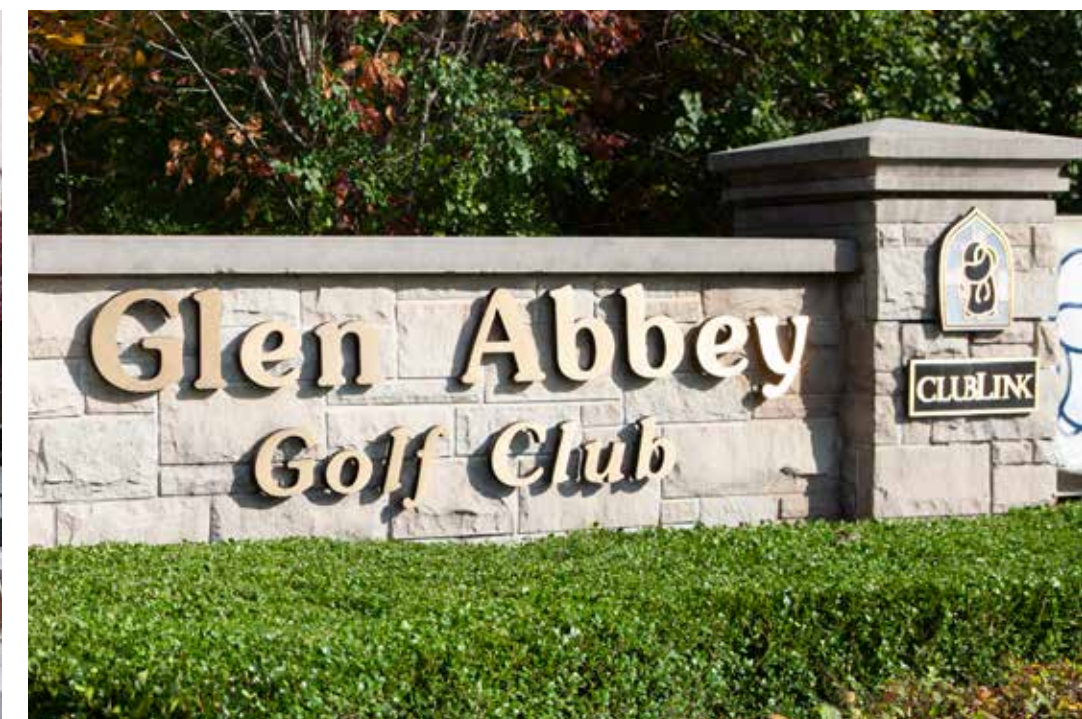

ONE OF CANADA'S BEST LOCATIONS TO INVEST

A market leading condo development in one of Oakville's most eclectic neighbourhoods and one of Canada's best locations to invest.* Kerr Village is known for its shops, restaurants, entertainment and community events. It's only 30 km to Toronto and a 20 min drive to Pearson airport. As well, its close proximity to Highways 407 & 403, Oakville GO, and the waterfront is hard to beat.

With its blend of history, heritage, and modern development, it's no surprise that Oakville was ranked Canada's Best Place to Live in 2018. Known for its exclusivity, wealth, and private and monumental estates which surround the waterfront, at Gemini you can live amongst a coveted neighbourhood for a fraction of the cost.

OWN IN A TIGHT MARKET

According to Urbanation Q2, 2022 rental report, there were only 27 available condo leases in Oakville in contrast to 1,043 in the city of Toronto.

Oakville is just 30 minutes from Toronto – North America's fourth largest city. Oakville's cunning tax rates, competitively priced employment lands and highly educated workforce (67% of the population holds a post-secondary degree) makes it an investor's dream. And the province of Ontario enjoys the lowest overall business costs among the G7.
