ARISES

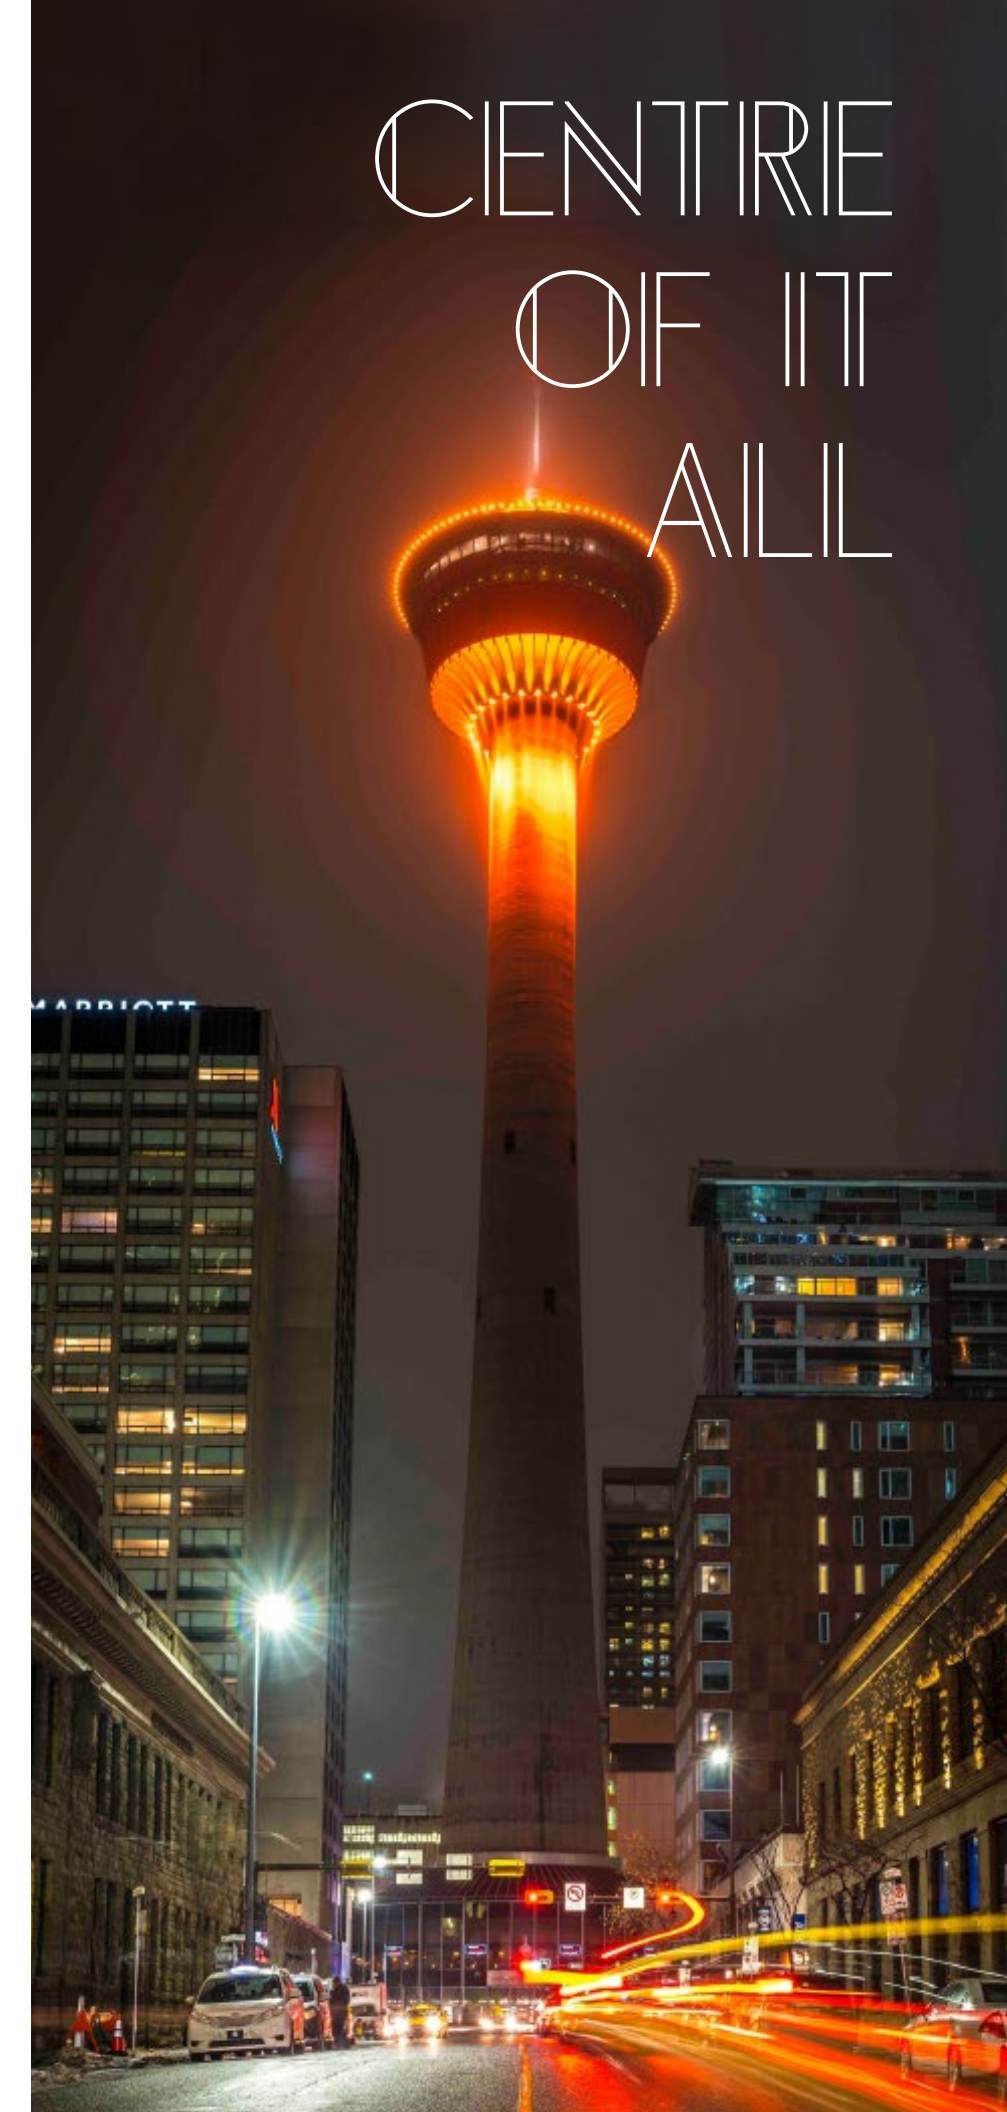

DOWNTOWN CALGARY

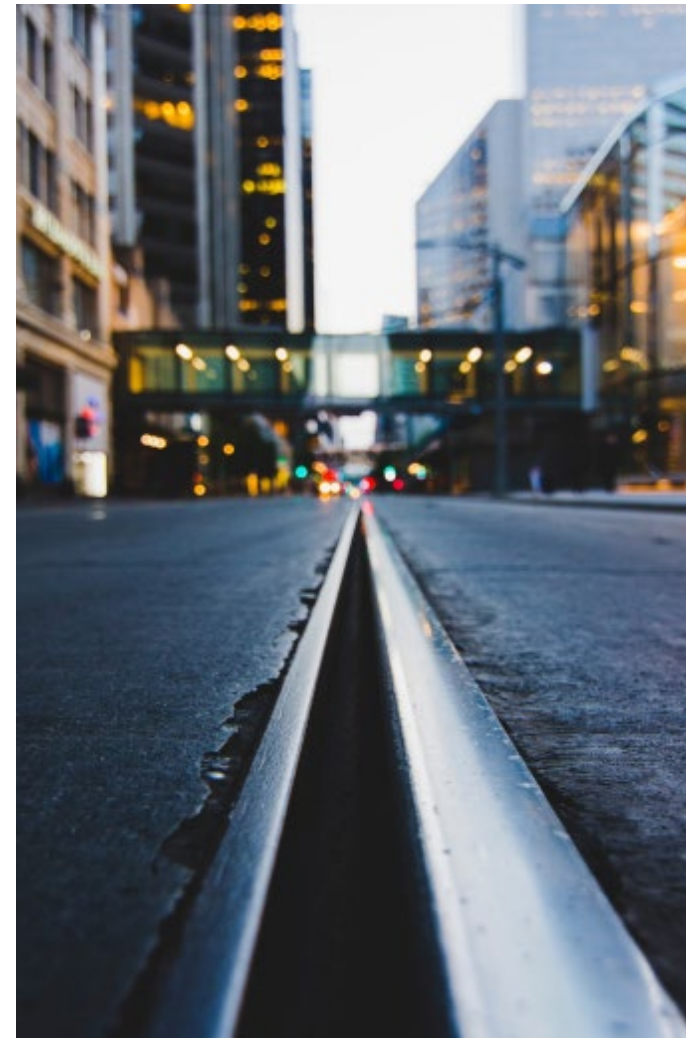

Infused with the spirit of 17th Ave, it's perfectly located on Calgary's iconic restaurant row and within the emerging Design District. Taste resides here in abundance. The names and the labels are all signatures of a lifestyle that applauds ambition and achievement. Which is why it should come as no surprise that so many of the world's most esteemed restaurants, boutiques, and personalities await your discovery – not just along 10th Ave, but around every corner.

From a distance, the view of Calgary's skyline is what you would expect from a city of over 1.2 million people. But, when you find yourself in and amongst our downtown, you experience just how diverse and unique it is to Calgary. Cultural landmarks like the Bow building, New Central Library, National Music Centre and Glenbow Museum not only impress, but invite you in to explore and learn. Heritage buildings like Old City Hall, Calgary Public Building, and the Calgary Tower remind us of our history.

Grab a coffee at one of the many trendy cafés. Meet a friend for wine and appetizers on the patio of one of the many culinary hot spots. Take the family for ice cream after a bike ride around the neighbourhood or shop for the latest fashions. No matter what you're looking for, you'll find it just steps away from your home at Gallery.

Whatever your fitness passion, you'll find fantastic options around 10th ave. Boxing, cycle & yoga classes, Crossfit and more. Looking for something to do with the kids? Feed the fish at the Devonian Gardens, visit the discovery room at the Glenbow Museum, take a free train ride on the LRT to the Calgary Science Centre and Shaw Millennium Skate Park or discover the Riverfront Aquarium - the options are endless!

THRIVING CONNECTIVITY

Whether you bike, walk, drive or take public transportation, there are many ways to explore the city or get to where you need to be. Calgary is also home to the most extensive outdoor pathway and dedicated bike path network in North America. Home to over 1,000 kilometres of paved multi-use pathways with dozens of communities linked by the pathway system. The city also has another 290 kilometres of on-street bikeways, including dedicated bike lanes downtown.

Even if you have a vehicle, public transit is the way to go when getting around downtown. We recommend taking the CTrain, as it is affordable and easy to use. If walking is more your style, you can take the Plus15, which is a network of over 86 bridges and over 16 km of elevated, weather-protected and climate controlled walkways. Enabling pedestrian mobility, and providing views of the city. Want to try something a little more fun? Shared e-Scooters and e-Bikes are a great way to get to make your way throughout the city. You can ride a e-Scooter city-wide on bicycle lanes, pathways, empty sidewalks and roadways with lower speed limits and lower traffic volumes.

Take in a view of the city skyline with a ride to Scotsman's Hill. Try biking the paved pathways to Prince's Island Park, exploring the island & admiring the inner-city wildlife including Canada geese and mallard ducks. Want to explore more of downtown? Bike one of the many bike lanes, or cycle tracks that provide a physical barrier from cars and sidewalks. Kick your adventure into high gear and explore Calgary on one of the countless bike paths that wind through some of the city's highlights, stunning parks and nature reserves. With over 900 kilometres of pathways and 400 kilometres of on-street bicycling routes, there is no shortage of choice for biking paths—whether you are a beginner or a road warrior. Missing the gear? Don't fear - Bike rentals are available at Bow Cycle & Sports, U of C Outdoor Centre, or Prince's Island Park!

We believe you deserve a modern and comfortable space to afford you the freedom to do more of what you love. Centrally located in Downtown Calgary, Gallery embodies effortless living in its highest form and reaches beyond, to make spaces for all of life's moments and the opportunity to create new ones.

WINE & DINE

Eating is a full-on sensory experience. The better the food looks, the more delicious it somehow tastes. Many purveyors of food in Calgary's downtown go all out in designing food that you'd want to photograph and brag about. It's not all about being Instagrammable - the taste has to be stupendous as well. Turn the next pages slowly & give your eyes a chance to take in the glory of fabulous food from some of Calgary's top eateries.

MODEL MILK

308 17TH AVENUE S.W.

We start by asking ourselves: what do we want to eat today, rather than what do we want to cook today? The former satisfies the belly, the latter only the ego. We created a restaurant where you can experience food that is both classic and original, both innovative and comforting. We source great quality local and regional products, prepare them simply, showcasing them at their best. Regardless of the ingredient or preparation we continually challenge ourselves to be better.

TEN FOOT HENRY

1209 1ST STREET S.W.

Ten Foot Henry is an all-day-restaurant that offers a fresh vegetable-anchored menu and fun, family style dining. We bridge the gap between what you should be eating and what you really want to eat.

Ten Foot Henry is named after a long time Calgary icon. Our namesake, Ten Foot Henry, is quite literally a 10 foot replica of the famed 1930 comic strip character, Henry.

BELTLINER

243 12TH AVENUE S.W.

The Beltliner is named after a Calgary's streetcar that ran down 12th Avenue SW in the early part of the last century. We're a modern and casual interpretation of the classic diner, offering a menu crafted with local, seasonal, artisanal and handmade ingredients. Our goal is to continually offer the freshest, most innovative, playful takes on diner fare in a fun and approachable setting. We take those classic diner staples you would expect and elevate them with great produce and modern techniques.

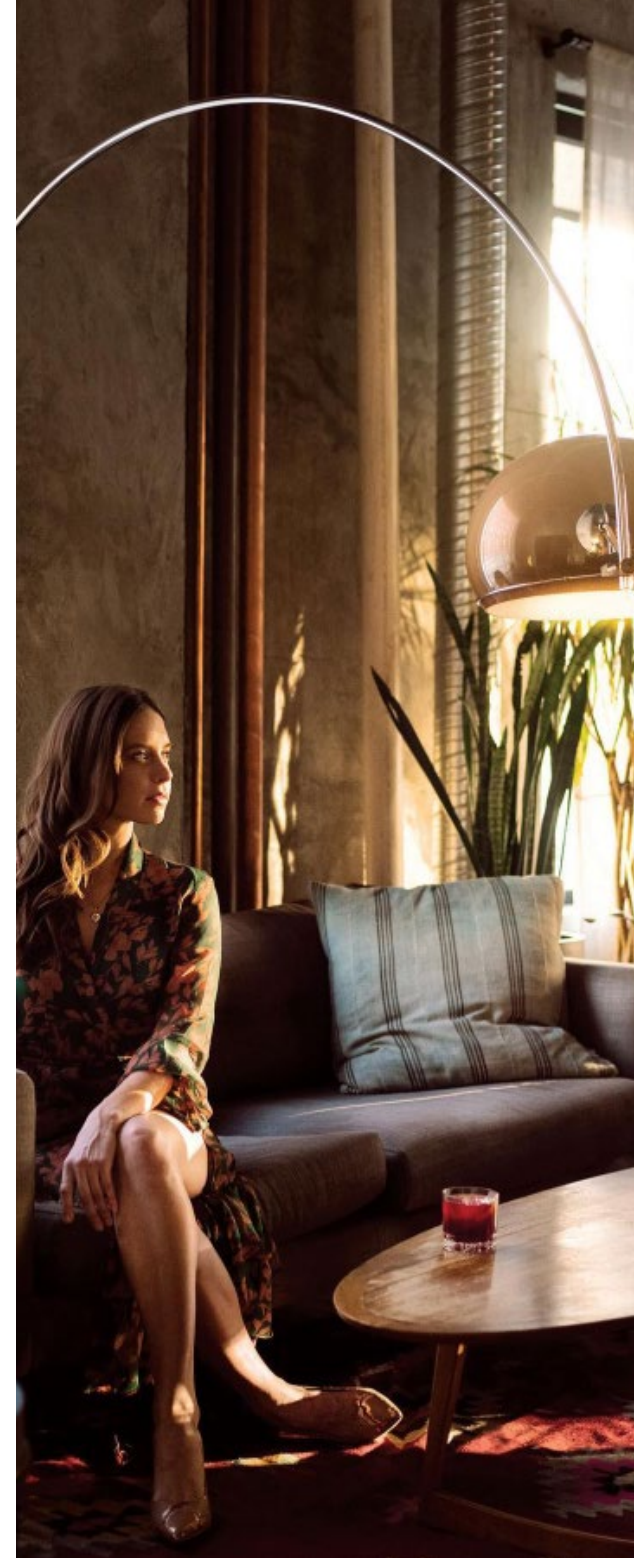

CHARCUT

899 CENTRE STREET

CHARCUT Roast House is one of Canada's most lauded restaurants.
