urban living, redefined

Live better® in Calgary's most dynamic master-planned community.

A truly great neighbourhood creates connections; between neighbours, the land and the community around it. Explore West District and you'll realize that's something we embrace wholeheartedly. We see beyond homes here. We envision the West District master planned community as a city-wide destination – immersed in nature with plenty of space to live, work, play, gather and connect with each other.

complete convenience

Thriving Connectivity

West District's wide, open, pedestrian-friendly streets and pathways criss-cross the new district, connecting to the established family neighbourhoods around it. With area residents easily able to come and go from the park, outdoor gathering spaces and amazing shops and retailers, West District is a safe and welcome connection point for the entire neighbourhood – and visitors from all over the city. Cyclists have top priority too. It's easy to get to and from West District along cycling routes such as the bike lanes on Broadcast Ave.

Vibrant Community

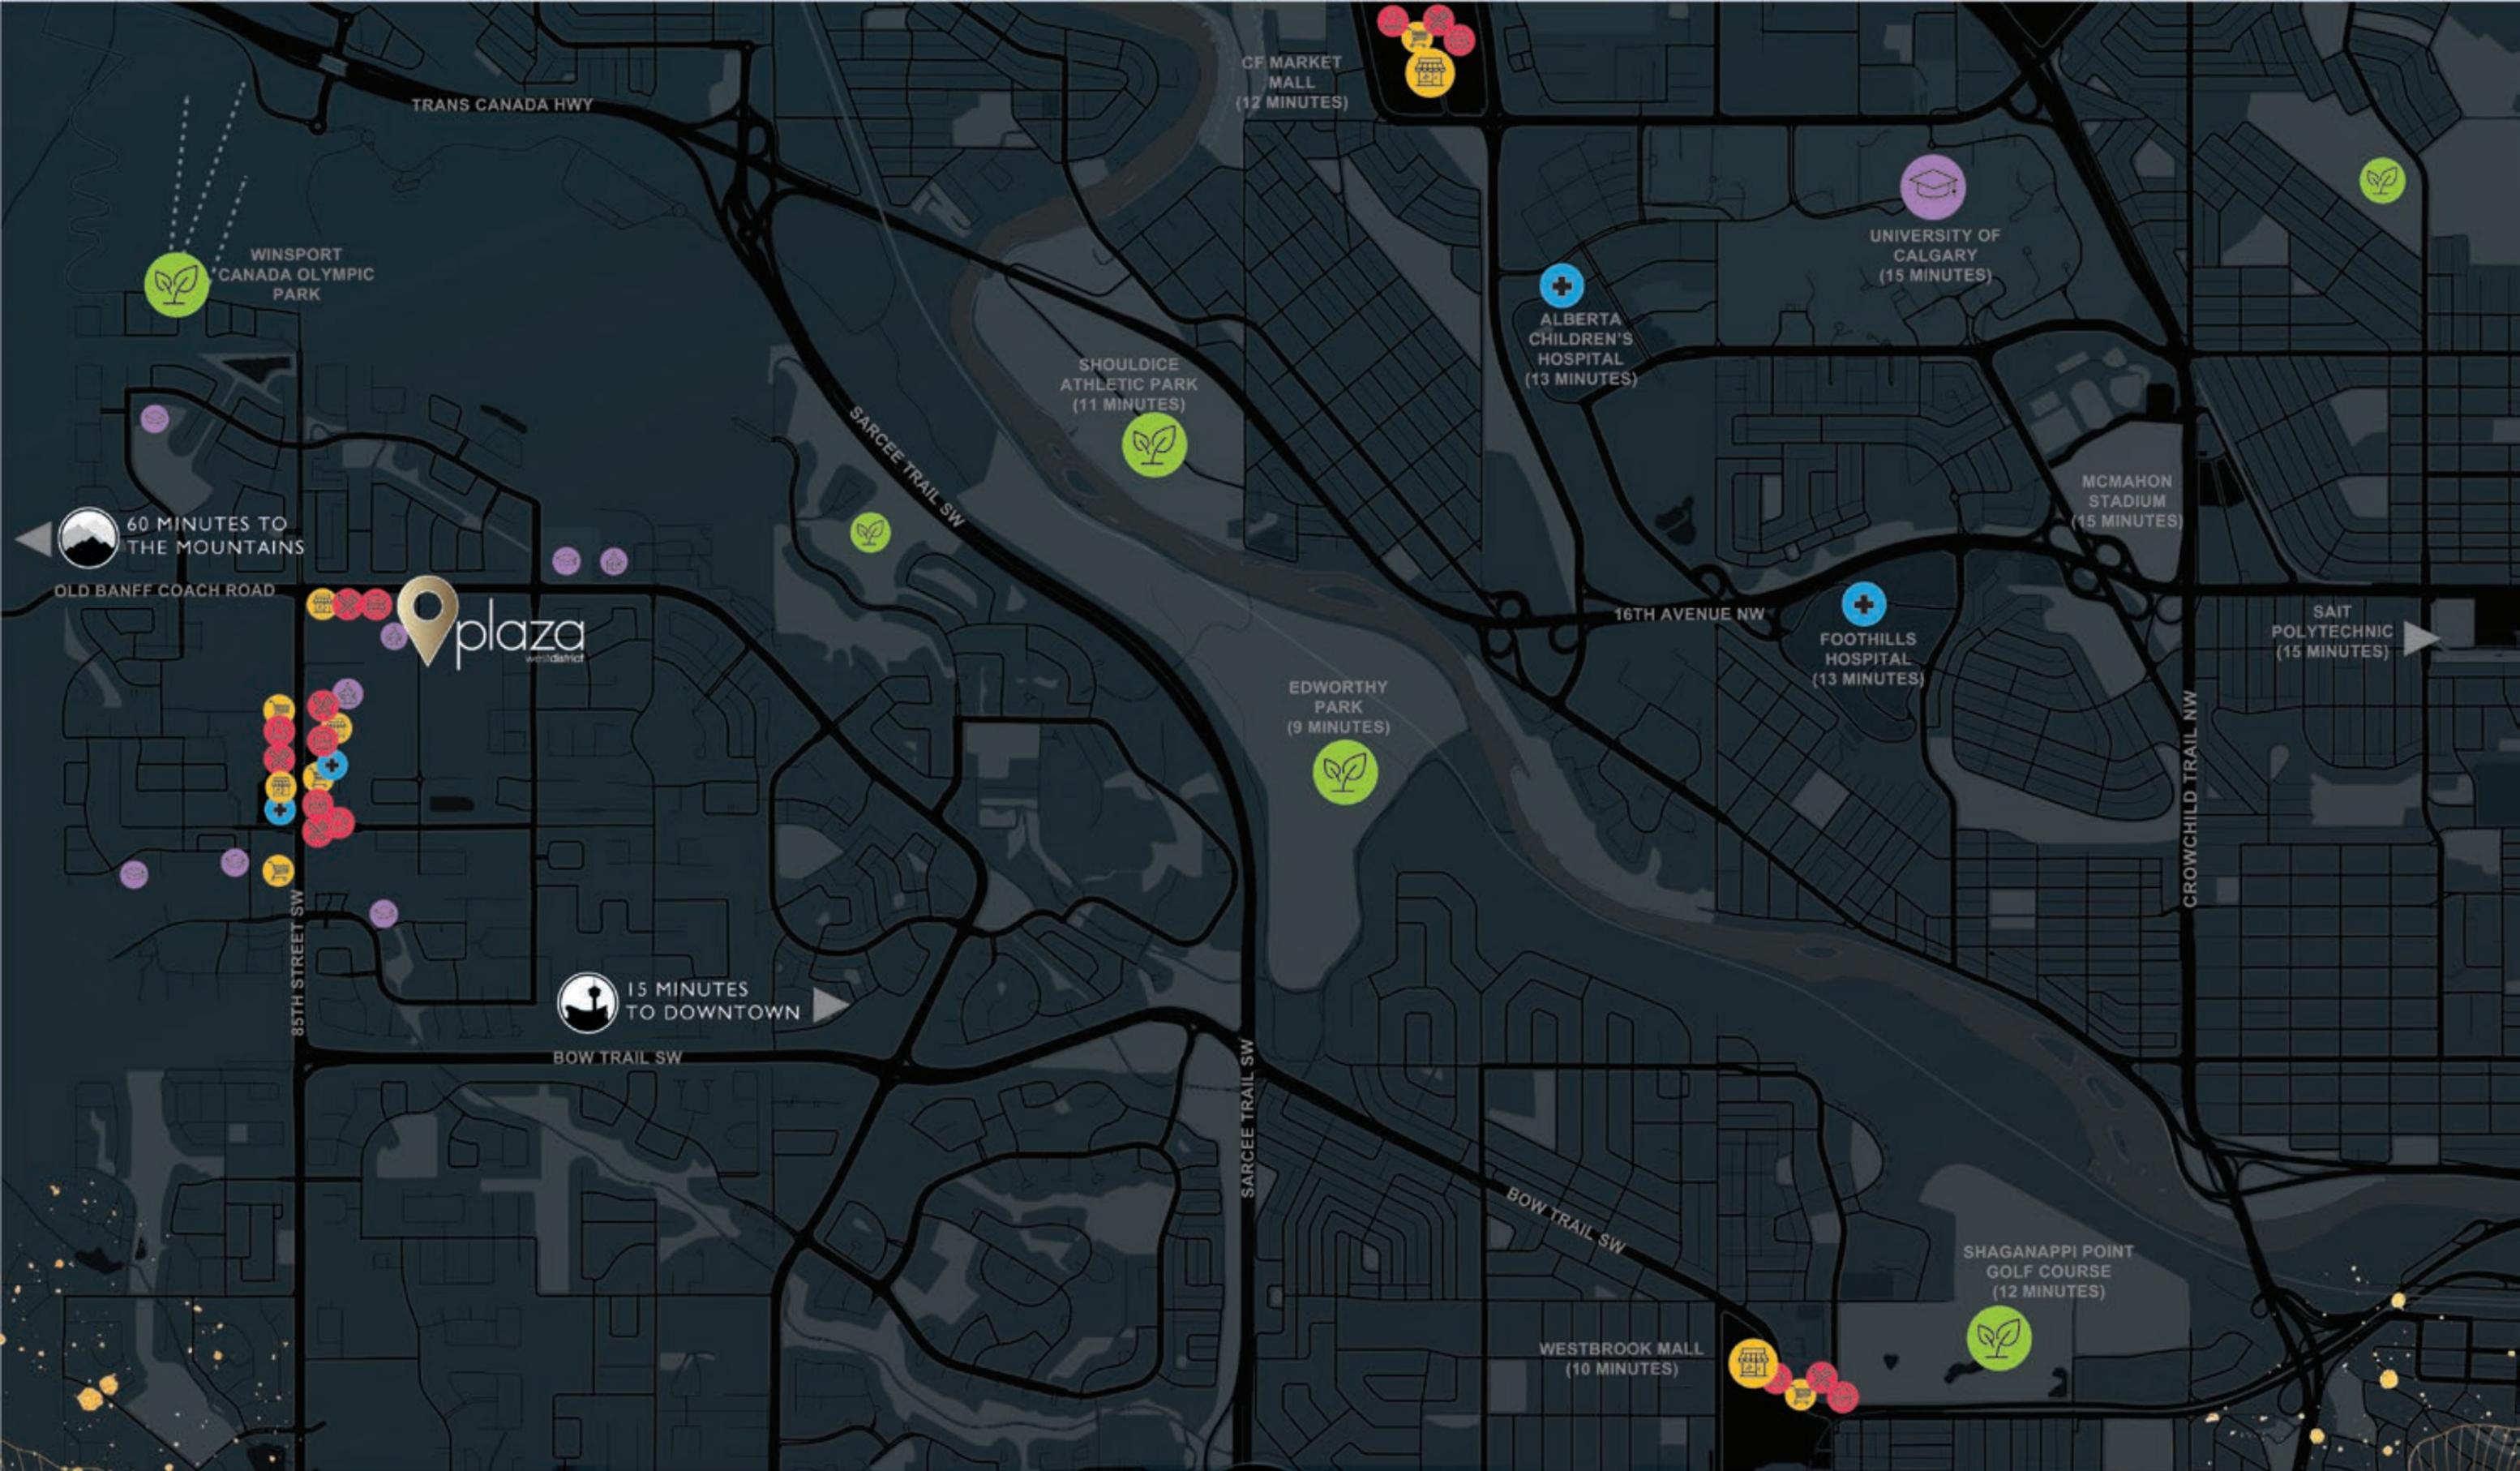

Grab a coffee at one of the many trendy cafés. Meet a friend wine and appetizers on the patio at one of the many culinary hot spots. Take the family for ice cream after a bike ride around the neighbourhood. Or shop for the latest fashions. No matter what you're looking for, you'll find it, just steps away from your home in West District. A gem right on Broadcast Avenue is Deville Coffee –unforgettable for the coffee, goodies and modern industrial decor filled with long time happy customers. Serving communities since 2008 across Alberta & BC, and locally owned by people who live in the communities they operate, it truly feels as if their cafe is steeped in connection. Another hidden gem in the area is The

Long Grass Studio & Workshop – a vibrant, independent art studio & workshop. Join them in the studio to design, create and build great puppets, build masks and sculptures and design your own fused glass. Located in Springbank, snuggled between Calgary and the soaring Rocky Mountains. Not only does your community in West District provide a vibrant range of shops and services, it also offers over 1,000,000 square feet of open, airy professional offices, studios and flex space. Whatever your fitness passion, you'll find fantastic options in the West District area from boxing, to cycle, yoga, crossfit classes and more.
