WAVE GARDEN

CANCHA DE TENIS

An architectural rendering of a modern, curved building entrance. The building features a prominent overhang with a textured, light-colored facade. The words "WAVE GARDEN" are embossed in the center of this overhang, flanked by two stylized wave-like symbols. Below the overhang, the entrance is supported by several thick, cylindrical columns. The interior of the entrance is visible, showing a curved ceiling with a wood-grain pattern. In the foreground, a paved plaza with a brick-like pattern is populated with several people, including a family with a child and a man with a suitcase. A golf cart is parked on the right side of the plaza. The background shows a tropical setting with palm trees and a clear sky.
