FINISHES

○ **ITALIAN CERAMIC TILES**

-Sustainable finishes in kitchens, living rooms, and bedroom, using natural italian porcelain with LEED certification.

- Impact and humidity highly resistant products, with a design that combines light and neutral tones creating an attractive and captivating mix, giving the space a personality of its own.

-General interior flooring using through-body dyed porcelain. Wood effect tiles, rectified and matte finish.

○ **INTEGRATED AIR CONDITIONING SYSTEM**
