REEF & GOLF Residences.

We present an exceptional development designed by the prestigious architecture studio BMA, recognized worldwide for its emblematic projects, including The Aston Martin Residences in Miami. This project will feature 80 luxury apartments located on the Iguanas Golf Course, offering panoramic views of the sea. The combination of comfort and luxury is manifested in a timeless design.

Located in Cap Cana, a private and exclusive community within Punta Cana, this enclave is just 11 kilometers from Punta Cana International Airport. Cap Cana is home to the largest marina in the Caribbean, intended for private vessels, consolidating itself as an elite destination. Residents and visitors will enjoy a wide range of premium beach amenities and activities, including non-motorized water sports, sailing, catamaran excursions, scuba diving, horseback riding, and eco-friendly activities. The Eco Adventure Park offers experiences such as ziplining and buggy tours. Additionally, Cap Cana is home to the Punta Espada Golf Club, considered one of the best golf courses in the Caribbean. This project represents a unique opportunity to experience a luxury lifestyle in an exclusive environment.

Reef & Golf Residences Cap Cana

A Symbol of Luxury and Sophistication.

This exclusive real estate development stands out for its elegant architecture as well as its functionality, creating a place where comfort meets nature. Every corner has been designed with a unique approach, harmoniously integrating with the surroundings while respecting the existing vegetation.

The lush gardens and green spaces invite residents to enjoy a peaceful and relaxing atmosphere, ideal for those seeking a lifestyle that celebrates nature.

Come and experience Reef & Golf Residences, where every day is a gift for the senses.
