COMPLEX AUTONOMY

Las Ballenas

Las Ballenas Beach is famous for its crystal clear waters, soft sandy beach and picturesque views. This beach is perfect for relaxation, swimming and water sports.

Punta Poppy

Punta Poppy Beach is a long sandy beach with crystal clear waters, excellent swimming areas and a long promenade with a variety of cafes and restaurants.

Bonita

Ranked in the top 10 best beaches in the world by National Geographic, Bonita Beach is divided into two sides, the first one is known for its secluded and relaxed atmosphere, making it a popular destination for those looking for a calm and cozy beach experience, the other side is suitable for surfers, almost the whole year round there are excellent waves for this sport.

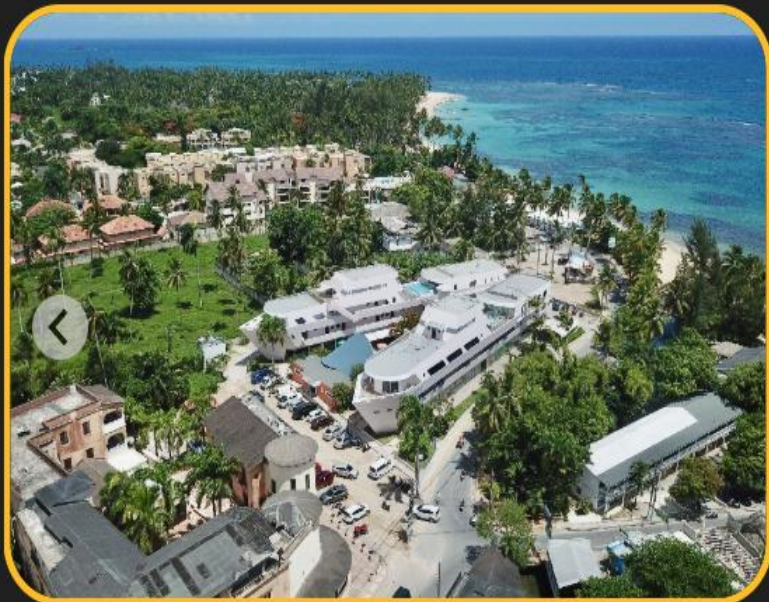

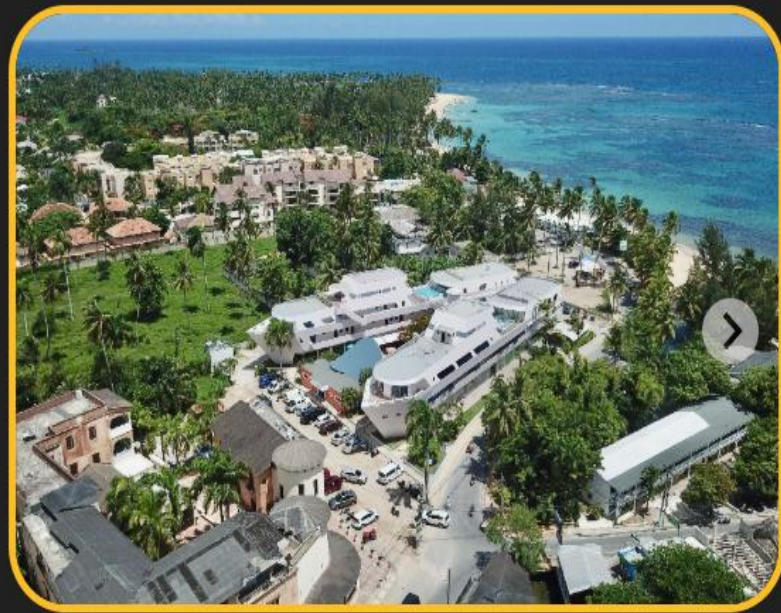

Las Terrenas is a real paradise on earth. It is located on the Samana Peninsula in the Dominican Republic and is famous for its white sand beaches with crystal clear waters. Here you can enjoy peace and quiet, as well as spend time actively doing water sports, fishing, dancing, traveling around the peninsula.

You can also enjoy the nightlife with bars and restaurants with Latin American music, learn how to dance salsa and bachata or devote time to your own taste.

The village is surrounded by dense tropical forests, hills, which create a special atmosphere of coziness and comfort. , you should also pay attention to local festivals and holidays that take place here all year round. The village of Las Terrenas is a place where everyone will find something to their liking.

There are all the necessary amenities and a good quality of life with developed infrastructure: schools, clinics, 24-hour pharmacies, a hospital, supermarkets, banks, restaurants, an access highway, El Catey International Airport 30 minutes from the city, etc.
