# COLOUR selections

Patton Design Studio, the distinguished design team selected by The Benvenuto Group, have assembled three designer packages for 293 The Kingsway.

What is truly unique is that each package includes luxury finishes as standard features.

[ COLOUR PACKAGE 1 ]

# QUARTZ

Clean, tailored lines  
with handsome wood  
grain textures are luxe  
yet vibrant, creating a  
contemporary, chic palette  
that is a perfect backdrop  
for luxurious living.

[ COLOUR PACKAGE 2 ]

# AMBER

This collection of sophisticated materials and finishes creates a rich, warm and comfortable ambiance. The tones, textures and patterns work beautifully together, providing a rich, natural design composition.

[ COLOUR PACKAGE 3 ]

# PLATINUM

An exciting interplay of sleek polished lines and wonderful textures creates an exciting, sophisticated design for the owner's personal preferences in furnishings. Materials are up to date and functional with an elegant flair.

A photograph of a vast, vibrant green lawn in a park, likely Central Park in New York City. In the background, a dense line of trees separates the park from a city skyline with several tall buildings under a bright sky. The text is overlaid in white on the lawn.

293 The Kingsway is designed to be a sustainable, environment-friendly community with green roofs, ample bike parking, electric car charging stations, energy-efficient windows, appliances and features, water-efficient bathroom fixtures, and much more. Easy access to transit routes and bike paths allows residents to reduce driving while offering eco-friendly transportation alternatives.

## A VISIONARY AND EXPERIENCED TEAM

293 The Kingsway is the latest exciting new condominium project from **The Benvenuto Group**. As experienced developers of luxury condominiums, The Benvenuto Group have built a portfolio of successes in Toronto and Montreal, and have earned a reputation for being leaders in understanding the needs of communities, and creating residences that are custom tailored for their marketplace. With landmark projects such as 83 Redpath and The Benvenuto in Toronto, Le Peterson, Onyx and Le Cour Langhorne in Montreal, and many more exciting developments underway, The Benvenuto Group's vision and vast experience have been at the core of their project successes.

The renowned architectural practice, **Quadrangle Architects**, was chosen to lend their considerable talents to this project. The final design takes great care to acknowledge the architectural traits of The Kingsway neighbourhood, confirming a harmonious relationship between the building and its surroundings.

The look of the common areas, the amenities and the details in each and every suite are the work of award-winning interior design firm, **Patton Design Studio**, which has an international reputation for creating elegant living spaces. Their tasteful selections, from the furnishings and original artwork, to the custom design of the lobby fireplace and concierge desk, all combine to create a dramatic first impression, a warm welcome home.
