Think Gritty. Local. Creative. That's how Hamilton rolls.
And you're right in the centre of it all.

It's urban expressionism taking over the streets. Specifically, James Street North, just a few blocks from KiWi. It's the now-famous Art Crawl on the second Friday of every month that draws artists, musicians, entertainers, buskers and off-the-wall individualists to a veritable feast of art and creativity. Add an eclectic array of galleries, eateries, bakeshops, cafés, boutiques and stores, and you have an urban smorgasbord of tastes, sounds, sights and smells unlike anywhere else. It's fun, quirky, exciting, friendly, and completely unpretentious. Just the kind of life you can't wait to live.

STROKES OF GENIUS

COLOUR OUTSIDE THE LINES

Zig when others zag. Create your own rules. Beat your own drum. Now you have an address that's after your own heart. A place that lets you be you.

This is where downtown meets hiptown. The neighbourhood surrounding KiWi is at the heart of a renaissance that's made Hamilton the coolest city in Southern Ontario. Check out the lively scene on James Street North outside Makers' Market near the historic Christ Church Cathedral. Walk into The Assembly, just off Cannon Street, a contemporary gallery run by over a dozen professional artists. Shop for cool, down home artifacts at The Hamilton Store or

pick up some unique home décor and gift items at LEN. Looking for a rest-stop during your Art Crawl? Start at HAMbrgr, arguably Hamilton's best burger bar. Or try the baked goodies at Mulberry Coffeehouse, a cheery outpost with a bustling patio during the warmer months. Whatever your tastes run to, you'll find everything you need to satisfy your soul. And it's all here, right in KiWi's backyard.

NO T H A M H T O N

1. If rock and roll is your thing, check out legendary This Ain't Hollywood on James St. North.
2. Looking for a stunning, designer, handmade dress? You won't go wrong with Blackbird Studios.
3. Don't let the name scare you, The Burnt Tongue serves the best soup and grilled cheese in town.

UPBEAT IN DOWNTOWN

KiWi is the perfect base to enjoy the best of Hamilton's pedestrian-friendly downtown, from contemporary art and music to fine dining, eclectic shopping, parks, trails and exciting nightlife. You can walk or bike to just about everywhere!

It's easy to pick out a Rosehaven home anywhere, because the attention to detail and design is evident in every community. And, why not? You deserve the very best, a Rosehaven home.

We invite you to experience the results of more than 25 years of innovation and excellence. We continue to look forward to a future filled with new ideas and bold inspirations, always at the forefront of new community and home building. What matters most to Rosehaven Homes is you, our valued customer.

WE LOVE YOU CONNIE FOUNDATION

A bright star was lost in the Guglietti family when daughter Connie succumbed to a brain stem tumor called D.I.P.G. in 2016. With much love and in her honour, the We Love You Connie Foundation was established in 2017 to take action in the battle against pediatric brain cancers. Important new research is now receiving funding, and 100% of every dollar donated will go towards this fight against cancer.

Beginning in 2018, principals of Rosehaven Homes have committed to donate \$200K per year (for five years) for a total of 1 million. In addition, every Rosehaven homebuyer is given four purchaser surveys, and for each survey completed by them Rosehaven will contribute a further \$25.00 to support the Foundation's efforts.

The Guglietti Family appreciates all donations that have been sent in Connie's honour and hope that the public will continue to join in the fight.
